

Welcome to Big Fish Academy!

We are Believers in God, Faithful in Serving Him. Our mission is for all involved to have a safe and fun experience that leads children and families to grow in their faith in God. Our vision is to be Believers in God, Faithful in Serving Him every day to have an impact on all students, employees, church families, and the community. Our prayer is to build a Christ-like atmosphere that will encourage all families through the Big Fish ministry. We are thankful and blessed to have the opportunity to invest back into the lives of you and the students!

We welcome you and your child to the 3 year old classroom. We are so glad you are here at Big Fish Academy. We look forward to getting to know you and your child. Our 3 year old classrooms are fun and interactive spaces that help your 3 year old student learn through play and social interactions with their peers. We will work on milestones such as social/emotional skills, language and communication skills, cognitive learning and problem solving, and movement and physical development.

We welcome you to email us with any questions or concerns.

Meet Our Teachers

Hello! I'm Addison, I was born and raised here in Tennessee. I am nineteen years old and have always had a soft spot for kids. I want to pursue videography as a career. I enjoy teaching and seeing kids grasp new information. In my free time, I like to play guitar and write my own songs. I also film weddings, as well as videos that I plan out and edit! I am excited to be a part of The Big Fish family!

Robin is from Brooklyn, NY. She and her family moved to Mt Juliet when her husband's company transferred him to Nashville. She received her degree from SUNY Fredonia. She met her husband on a blind date. A mutual friend thought it was fate they were both left-handed. Their south-paw daughter now attends college. Following her years as a Retirement Planning Consultant, Robin was a children's librarian and bookseller. Her favorite task is putting literacy into the hands of children.

Taylor was born and raised in Mt. Juliet, Tn and has just recently moved to Lebanon, Tn. Taylor is currently a psychology major at Vol State Community College and hopes to earn a master's degree and become a children's behavioral therapist one day! She has always loved working with kids and is so excited to get to know all of your sweet children and be a part of Big Fish Academy!
