

Welcome to Big Fish Academy!

We are Believers in God, Faithful in Serving Him. Our mission is for all involved to have a safe and fun experience that leads children and families to grow in their faith in God. Our vision is to be Believers in God, Faithful in Serving Him every day to have an impact on all students, employees, church families, and the community. Our prayer is to build a Christ-like atmosphere that will encourage all families through the Big Fish ministry. We are thankful and blessed to have the opportunity to invest back into the lives of you and the students!

We welcome you and your child to the 4 year old classroom. We are so glad you are here at Big Fish Academy. We look forward to getting to know you and your child. Our 4 year old classrooms are fun and interactive spaces that help your 4 year old student learn through play and social interactions with their peers. We will work on milestones such as social/emotional skills, language and communication skills, cognitive learning and problem solving, and movement and physical development.

We welcome you to email us with any questions or concerns.

Ms. Gina was born and raised in Myrtle Beach, SC. She spent her summers working at her aunt's daycare from age 13-21. This is where her love of children began! Gina went on a trip to CA at age 21 and decided she wanted to stay. Gina lived in CA for 25 years and worked as a live-in nanny. Last year, Gina decided to move to TN to be closer to her family. Her love of country music and a huge leap of faith landed her in the Nashville area. Gina attends Rolling Hills Community Church in Franklin and enjoys going to concerts, weekend trips, exploring Nashville, puzzles, and babysitting. Gina is excited to start at BFA this school year in the 4 year old classroom.
